Solutions****

Xerox Scan to PC Desktop®
Xerox Scan to PC Desktop software allows you to scan hard copy documents to electronic forms and automatically route these files to your desktop, email or network folders.

Nuance ScanFlowStore®
ScanFlowStore helps you efficiently create digital archives by scanning documents directly to a destination from your Xerox multifunction device.

Xerox DocuShare®
Xerox DocuShare enables document management, collaboration, review and approval, and web publishing to support information sharing at all points of the enterprise by every knowledge worker.

Xerox PagePack®
Xerox PagePack is an easy-to-manage cost-per-print program that bundles supplies and services into one customer contract.

Note: For promotional and rebate information such as dollar amounts and effective dates, go to www.xerox.com/office.
 * TAA (Trade Agreement Act FAR 52.225-5) compliant product
 ** Ratings are between Xerox products only and differences are due to the positioning of each product in the Xerox portfolio. To learn how each product offers significant advantages over the competition, visit www.office.xerox.com/resellers.
 *** Product is bundled with ScanFlowStore.
